

2021 Safety Cover Price Guide

Instructions for Measuring, Quoting and Pricing

RECTANGLE SHAPES

- These covers will be built with 5' x 5' or 3' x 3' grid spacing as ordered.
- Manufactured with approximately 12" overlap.

Quoting:

- Multiply the length plus 2' by the width plus 2' to determine square footage of the cover.
- Find the appropriate square footage table in this guide and multiply the square footage of the cover by the correct price per square foot.
- Add the cost of all applicable adders.
- Use the cut corner adder for Grecians as well as rectangles with decks less than 3 feet wide at the corners of the pool to ensure the anchors fall within the deck area.
- When using the 5' x 5' grid, determine the square footage pricing, then include additional cost for steps, oval ends, Roman ends and/or cut corners.
- When using the 3' x 3' grid, oval end, and cut corners are included in the sq. ft. price.

EXAMPLES

RECTANGLE 5' X 5'

5000M Standard Mesh
Pool Size 16' x 34'
Cover Size 18' x 36' = 648 sq. ft.
Steps: \$171.78
648 sq. ft. x \$2.69 = \$1743.12
List Price: \$1743.12 + 171.78 = \$1914.90

OVAl 5' X 5'

5000M Standard Mesh
Pool Size 18' x 38'
Cover Size 20' x 40' = 800 sq. ft.
Two Oval Ends: \$74.95 x 2 = \$149.90
800 sq. ft. x \$2.52 = \$2016.00
List Price: \$2016.00 + \$149.90 = \$2165.90

GRECIAN 5' X 5'

5000M Standard Mesh
Pool Size 17' x 31'
Cover Size 19' x 33' = 627 sq. ft.
Four Cut Corners: \$50.73 x 4 = \$202.92
627 sq. ft. x \$2.69 = \$1686.63
List Price: \$1686.63 + \$202.92 = \$1889.55

TRUE "L" 5' X 5'

5000M Standard Mesh
Pool Size (18' x 36') + (10' x 10')
Cover Size (20' x 38') + (12' x 12') = 904 sq. ft.
904 sq. ft. x \$2.29 = \$2070.16
Reverse Corner/Nose Pad: \$41.51

LAZY "L" 5' X 5'

5000M Standard Mesh
Pool Size (16' x 24') + (6' x 16')
Cover Size (18' x 26') + (8' x 18') = 612 sq. ft.
612 sq. ft. x \$2.69 = \$1646.28
Reverse Corner/Nose Pad: \$41.51
List Price: \$1646.28 + \$41.51 = \$1687.79

ROMAN 3' X 3'

5000M Standard Mesh
Pool Size 16' x 36'
Cover Size 18' x 38' = 684 sq. ft.
Roman Ends: \$82.97 x 2 = \$165.94
684 sq. ft. x \$3.40 = \$2323.20
List Price: \$2323.20 + \$165.94 = \$2489.14
Roman End charge includes two nose pads per end for reverse corners

2021 Safety Cover Price Guide

Instructions for Measuring, Quoting and Pricing

FREEFORM SHAPES

- All freeform covers will be built with 3' x 3' spacing
- Manufactured with approximately 18" overlap.

Quoting:

- Calculate the square footage by determining the smallest box with 90° corners into which the pool dimensions will fit (see FREEFORM example to the right).
- Add 3 feet to the width and 3 feet to the length and multiply.
- Find the appropriate square footage table in this guide and multiply the square footage of the cover by the correct price per square foot.
- Add the cost of all applicable adders.

EXAMPLES

OASIS FREEFORM 3' X 3'

5000M Standard Mesh
Pool Size: 16' x 34'
Cover Size 19' x 37' = 703 sq. ft.
703 sq. ft. x \$3.65 = \$2565.95
List Price = \$2565.95

TAHITI FREEFORM 3' X 3'

5000M Standard Mesh
Pool Size: 18' x 32' (smallest box)
Cover Size 21' x 35' = 735 sq. ft.
735 sq. ft. x \$3.65 = \$2682.75
List Price: \$2682.75

LAGOON FREEFORM 3' X 3'

5000M Standard Mesh
Pool Size (16' x 32') + (12' x 16')
Cover Size (19' x 35') + (15' x 19') = 950 sq. ft.
950 sq. ft. x \$3.47 = \$3296.50
Step: \$177.55
List Price: \$3296.50 + \$177.55 = \$3474.05

ADDITIONAL INFORMATION

- Unless otherwise noted, it will be assumed that a minimum of 3 feet of unobstructed deck exists around the entire perimeter of the pool. If the minimum deck criterion is not met, a measured drawing of the pool, deck and any obstructions(s) must be submitted.
- If 90-degree corners are chosen for the cover, it is very important that sufficient deck is available at the steps and corners to accommodate the overlap associated with these covers.
- RECTANGLE COVERS LESS THAN 1200 SQUARE FEET – Manufactured with approximately 12" overlap – add 2' to length and width.
- RECTANGLE COVERS 1200 SQUARE FEET TO 2100 SQUARE FEET – Manufactured with approximately 18" overlap – add 3' to length and width.
